*Mastery means student passes test with fewer errors than indicated on page (Sets 1 to 5) and within time indicated (Sets 5 to 8). If Redo, indicate what booklet to move back into. When there is a timed L.B. Test, tutor conducts the first L.B. Test (not timed) and scores the errors, then the teacher conducts the second timed L.B. Test. Tutors should not allow students to practice L.B. Test.
